Sanford School Announces Partnership with ESF Camps for 2025

Hockessin, DE – Sanford School is thrilled to introduce a new partnership with ESF Summer Camps & Experiences, a premier provider of high-quality summer camps and enrichment programs, to offer Sanford families a unique and fully customizable summer experience beginning in Summer 2025.

This collaboration will offer Sanford Students (ages 3 to 15) access to **60+** fun and skill-building activities, making it one of the most exciting and flexible summer programs available in the region.

Through January 31, 2025, Sanford families can enroll for camp during ESF's early bird promotion period.

"Sanford School has always been dedicated to fostering learning and growth in every child, and we believe that partnering with ESF Summer Camps will elevate our summer programming to new heights," said Jaime Morgan '02, Associate Head of School for Advancement at Sanford. *"We're proud to offer our community an exciting, innovative, and customizable camp experience that aligns with Sanford's mission and values."*

Michael Rouse, Executive Director and Co-Founder of ESF Camps, added: *"We are thrilled to partner with Sanford School, a prestigious institution known for its commitment to excellence in education. Together, we'll create relevant, unforgettable summer experiences that allow students to explore, grow, and develop new skills in a very supportive and enriching environment."*

ESF Camps, the Aspen Institute's Project Play Champion, has been nationally recognized as the "gold standard" in summer programming since 1982, running award-winning camps across MD, PA, NJ, NY, CT and FL, including prestigious schools like The Haverford School and Riverdale Country School. With a focus on Education, Sports, and Fun, ESF offers engaging programs led by highly trained, all-adult staff, ensuring that each camper receives personal attention and instruction.

Highlights of the ESF-Sanford Summer Camp partnership include:

- Customizable Camp Experiences: Over 60 engaging activities, including sports, swimming, arts, science, and technology.
- Highly Trained Staff: All-adult, professionally trained staff with a low staff-to-camper ratio.
- Flexible Options: Before-care, extended-day programs, and healthy lunch options available daily.
